Membership Renewal Invoice

Central West Lachlan Landcare (CWLL) invite individuals to renew CWLL membership and be involved in Landcare activities that we have running in 2017. Once your membership application is received you will be emailed a receipt.

As a member, you will also receive our e-newsletter and updates to keep you informed of activities happening in our region and have access to free workshops and opportunities. Our monthly newsletters and reminders are issued through the Mailchimp system. They look a little different to a normal email when it comes in. You need to click 'view this in your browser' to bring up the full email with pictures.

Membership is only \$10 per address (*so it covers more than one individual*). For payment by cheque, please complete the form below and forward to: CWLL, PO Box 628, PARKES NSW 2870

If would prefer to EFT, forward your form to: cwllpo@hotmail.com

The form needs to be as complete as possible to allow us to ensure our database is up to date and so that we can keep you up to date with upcoming events and opportunities. Our preferred method of communication is by email, so please ensure that if you have an email address you include it below.

CWLL have the opportunity to expand our services to members and take advantage of the many opportunities that are available for education, on ground works and first aid.

We are particularly pleased to offer our Re-balancing Our Landscape (ROL) program to landholders who are looking to make a positive difference to their soil, land management and improving the balance of their property. This includes free or highly discounted offers, workshops, testing and field days.

Contact Marg ASAP to find out more and to register to be part of the group.

Our Office hours are 9am – 3.30pm, Monday – Friday.

Please remember that your copy of 'Landcare In Focus' is available from our Office at Kelly Reserve as well.

If you have any queries regarding your membership, workshops, sponsorship, newsletter or web inclusions, please don't hesitate to **contact the CWLL Office on 02 6862 4914.**
